

CHAFFEE COUNTY

ORDINANCE NO. 2021—002

TITLE: AN ORDINANCE ADOPTING REGULATIONS CONCERNING THE APPLICATION AND THE LICENSING, PERMITTING, OR OPERATION OF SHORT-TERM RENTALS IN UNINCORPORATED PORTIONS OF CHAFFEE COUNTY.

Recitals

- A. The Chaffee County Board of County Commissioners (“Board”) has authority to exercise all County powers for the unincorporated areas of Chaffee County pursuant to C.R.S. § 30-11-103.
- B. Pursuant to C.R.S. § 30-15-401, the Board has the general enabling power to adopt ordinances for the control or licensing of those matters of purely local concern, and to do all acts and make all regulations which may be necessary or expedient for the promotion of the health, safety and welfare of the present and future residents of Chaffee County.
- C. Additionally, C.R.S. § 30-15-401(s)(I) gives the Board the specific power “to license and regulate an owner or owner’s agent who rents or advertises the owner’s lodging unit for a short-term stay, and to fix the fees, terms, and manner for issuing and revoking licenses issued therefore.”
- D. The Local Government Land Use Control Enabling Act, C.R.S. § 29-20-101 et seq., provides the County with the broad authority to plan for and regulate the use of land to best protect and promote the health, safety, and general welfare of the present and future inhabitants of Chaffee County and to guide future growth, development, and distribution of land uses within Chaffee County.
- E. The following provisions also give the County authority to plan for and regulate the use of land, including the authority to impose temporary moratoriums on development activities:
 - a. C.R.S. § 30-11-107 concerning powers of the Boards of County Commissioners;
 - b. C.R.S. § 30-28-101, et seq. concerning the regulation of the use of structures in various zone districts throughout Chaffee County; and
 - c. C.R.S. § 30-28-115 concerning the promotion of the health, safety, convenience, order and/or welfare of the citizenry through the use of land use regulations.
- F. Issues have arisen related to enforcement of the Chaffee County Land Use Code pertaining to short-term rental licensing and use within unincorporated Chaffee County. As an example, County staff is unable to easily contact short-term rental owners concerning Land Use or Building Code violations or public health and safety issues and during the recent COVID-19 pandemic, the Board of Health suspended renting for all motels, hotels and short-term rental units, which were later reopened in a limited fashion if they followed safety protocols. Many of the short-term rental units had non-resident county owners, for whom the County did not have a current email or telephone number to relay the closures and instead had to relay information via US first class mail. If other emergencies were to arise, such as fires or floods, the County would not be able to notify the owners or renters of short-term rental units of life threatening emergencies. The

inability of the County and the Board of Health to close the short-term rental units during any emergencies creates a public health, safety, and welfare issue.

- G. Without the appropriate regulations within the areas of unincorporated Chaffee County, short-term rentals will have and continue to have adverse impacts on neighboring residences and the community at large. Such impacts include, but are not limited to real estate price pressure for present and future local area wage earners, a scarcity of housing options within the unincorporated areas of Chaffee County, a reduction in the number of housing units available to present and future local area wage earners, and diminished neighborhoods and community character and desirability, all of which may damage the public health, safety, and welfare. The regulation of short-term rentals within the unincorporated areas of Chaffee County will further the public health, safety, and welfare by ensuring that such accommodations are operated in a manner consistent with the character of Chaffee County, neighboring residential uses, and adopted codes and regulations, and will lessen the negative impacts that short-term rentals have on the community and surrounding areas.
- H. The County does not have adequate current regulations with respect to potential numbers of short-term rentals and requirements for administration of licenses for short-term rentals within unincorporated Chaffee County.

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF CHAFFEE COUNTY COLORADO:

Section 1. The foregoing recitals are incorporated herein and made a part of this ordinance.

Section 2. This ordinance applies to short-term rental units only, as that term is hereinafter defined, as a “Vacation Rental by Owner” (VRBO) in Article 15 of the Land Use Code (LUC) and Article 7 § 7.7.34 of the LUC, which requires licensing and certain standards to apply to VRBOs.
